Gas Instantaneous Water Heaters

Introducing the new Gas Instantaneous Water heater range from **Ariston**, a global leader in **comfort**. FAST R combines ease of use with high reliability thanks to its control panel and its robust structure. Rest assured in the knowledge that your **comfort** is in the most trustworthy of hands.

BATTERY POWERED IGNITION

Beat load shedding with battery ignition

EXTRA SAFETY

Flame, water, flue & overheat detection sensors

SIMPLE INSTALLATION

With minimal effort

EASY TEMPERATURE CONTROL

With water and gas

WARRANTY

2 Year

ITALIAN DESIGN

Designed by

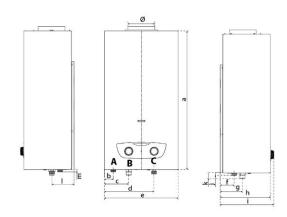

Fast Evo

Features and Benefits

- / Temperature stability during shower
- / Continuous hot water at low flow rates
- / Solid and durable components
- / Flame off during product standby
- / Up-to-date technology for complete safety
- / Simple temperature regulation
- / Easy maintenance

Technical Information

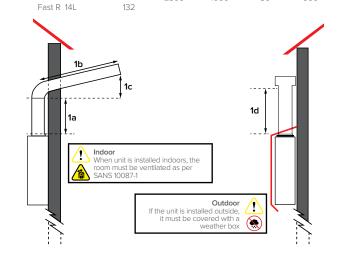

- B. Hot water outlet 1/2" C. Gas Inlet 1/2"
- C. Gas Inlet 1/2"
 D. Cold water inlet 1/2"
